Disc Golf World, in cooperation with the Kansas City Flying Disc Club, presents the 15th annual

Rosedale Amateur Championships

A Trophy Only, Non-PDGA Event

Sunday

October 9

Rosedale Park

Kansas City, Kansas

The RAC is about Friendly Competition and Learning about the Rules and Nuances of Competitive Disc Golf

We encourage players who have never played in a disc golf tournament before to play this event. We will be explaining the rules and offer other suggestions to help you become a better player. To help with your throwing technique and tournament mindset, there will several pros available to offer suggestions and to answer your questions. Competitors will play the top course only. The first round's configuration will be longer than the second.

PDGA ratings and the tournament director discretion will be used in an attempt to ensure competitive balance in the Am 1, Am 2, Am 3 and Am 4 divisions. PDGA guidelines for pros playing as ams are in effect as well. If unsure about what division is right for you, please contact TD Rick Rothstein with questions.

Schedule

8:15 - 9:15: Late registration. Player check-in. Shelter

9:50: Players' meeting/tee-off.

TBA: 2nd round tee-off.
